*1960 Athenian*

*Sherman Senior High School*  
*Sherman, Texas*

## *Foreword*

We have chosen as the theme for the 1960 Athenian our own community, Sherman. It is familiar as well as dear to each of us. Here we live, work, and play. It has many fine citizens and we feel that graduates of Sherman Senior High do much to add to its civic stature.

# *Sherman Senior*

Sherman Senior High School plays an important part in the lives of the citizens of the Sherman Community. Located near the Municipal Building, it is convenient as a meeting place, and has become important as the center of civic activities.

Sherman High has served as the host for many district and state conventions. However, the most important factor of its success is the faculty and students. Its hospitality has become well known throughout the state as well as our own community.

#### ALMA MATER

Hail to the Bearcats,  
Hats off to you.  
Ever you'll find us  
Loyal and true.  
Firm and undaunted,  
Always we'll be.  
Hail to the team we love,  
Here's a toast to thee.

# *High School*

## *Dedication*

To you we dedicate not only the 1960 Athenian, but also a year of our school life. You have given us your understanding assistance, loyal support, and never-ending faith, in academic work as well as extracurricular activities.

Our greatest gift of thanks—the 1960 Athenian—we give to you

MISS CLARA JOE BROWN

## *Administration*

The faculty and staff of Sherman High School prepare our students to face our community. Their guidance aids us as we plan for the future; because of their influence, we shall become better citizens.

## *Superintendent's Message*

Your many achievements in activities, in athletics, and in subject areas reflect the high caliber of the student body and faculty of Sherman High School. The pictures and words recorded in this Athenian speak eloquently of your accomplishments, and I wish to commend each of you for the part you have played.

BRYON DAVIS  
Superintendent  
of Schools

*Principal's  
Message*

This Privilege of a Principal's Message in Your Athenian is a great honor and one which I appreciate. The association with you over the years is stimulating and satisfying. I hold the students of Sherman High School in high regard.

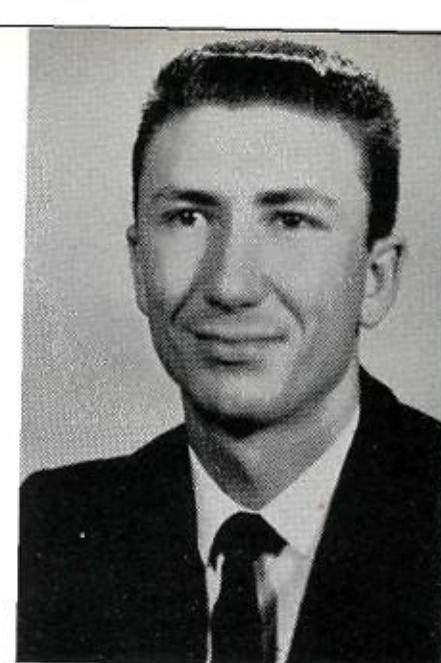

The experiences you have had in Sherman High School will prove most valuable in the years ahead. The Athenian will have greater value to you in five, even ten, years from now as you relive your high school years. Pictures are meaningless unless you recall the experience which created them. I hope your yearbook will recall many happy ones for you.

My sincere best wishes to each of you as you travel the thrilling experience of life.

Sincerely,  
HENRY SORY

HI PARK—22

Sherman made a great try against the hardest rival they met all year, the Scotties. At the half, the score was 0-0. The Bearcats play a great game but in the end, they lost. Everyone was proud of the 'Cats for the hard playing they showed against the tough Scots.

This year the Bearcats travelled to Garland to take on the Garland Owls. The 'Cats Fought a valiant battle, but too much went against them. Even the one-sided score did not discourage the team, and they kept trying to the end of the game.

The Bearcats broke the Broncos in their tilt this year. The big yard gainers were John Kyle and Joe Parish. The backs were backed up by the line with Bobby Roper grabbing some important fumbles. Outweighed 20 pounds per man by the Broncos, it was rough game all the way in 25° weather. The Bearcats made 185 yards rushing.

DENISON—0

The Cats took the sting out of the Yellowjackets this year. Since they are our traditional rivals, this was even a greater victory. The tight defense Sherman set up was the big factor in the outcome of the game. The Cats made 154 yards rushing; the Jackets made 58. Sherman again has possession of the Battle Ax, since this was our third straight year to defeat Denison.

With an excellent show of unconquerable spirit, the Bearcat team came out in fourth place in District 7 4-AAAA basketball. The season record was seven wins and seventeen losses.

Named to the first District team was Robert Higgenbotham and to the second District team was Mike Nelson.

Coach Hearne has done a fine job in coaching these boys. Each and every one is to be congratulated on his fine playing.

Thanks to the Bearcats for an exciting season of good sportsmanship!

This year the Sherman High School track team has the backing of six returning lettermen. With these and the good first yearmen, it should prove to be a first-rate track team. Even though they will be up against stiff competition, we know they will do their best. The team is depending on the mile relay as one of their strongest points.

## Science

Sherman High's science courses offer our students a comprehensive survey of science at work in chemistry, biology, and physics. Dissections, malodorous concoctions, and formulas are practiced in the classes.

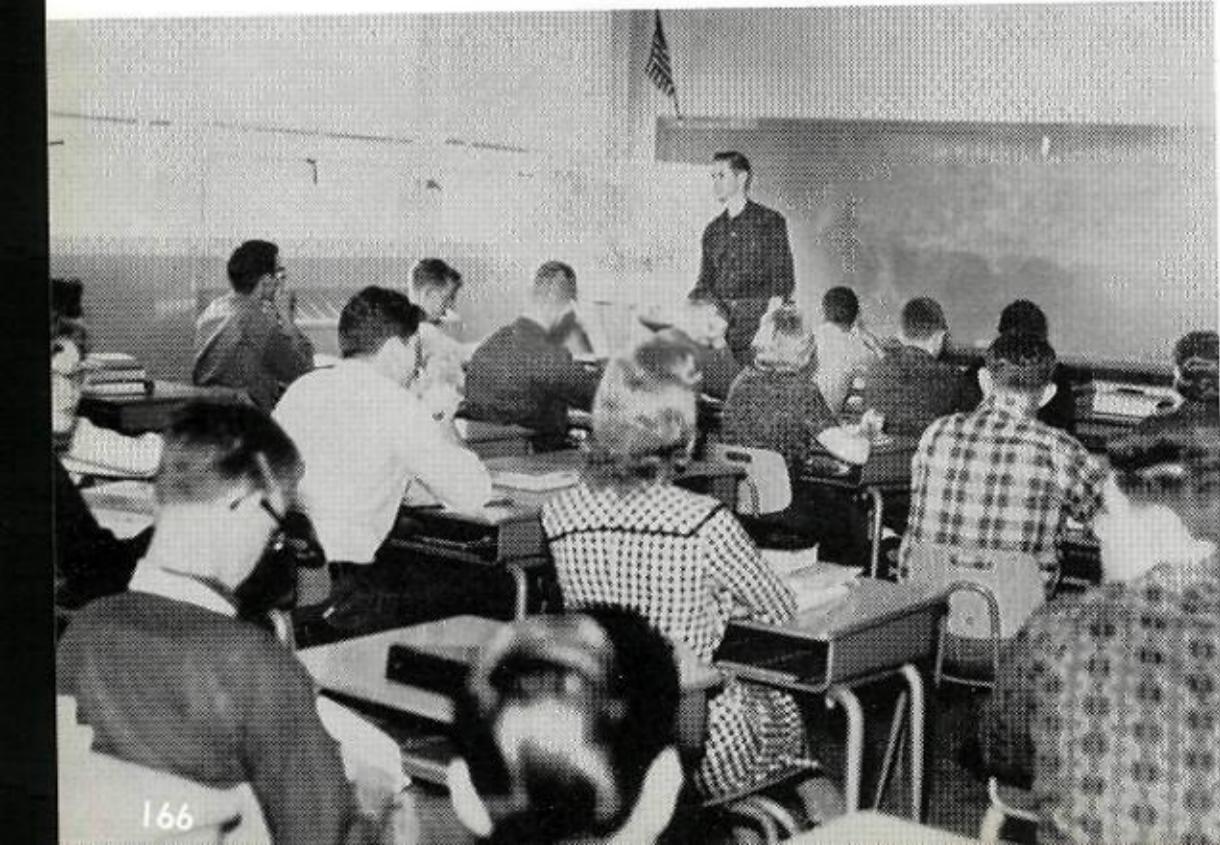

## Business

Business courses—typing, shorthand, business law, bookkeeping, business English, and office practice—offer a wide variety to prepare students for the business world.

## History

Principles of American democracy are presented to the student with history and government classes. The importance of every individual is stressed in the application of citizenship and responsibilities of freedom.

## *Math*

Sherman High School offers a wide variety of subjects in mathematics to meet the needs and requirements for successful work in college or in whatever field one wishes to enter after graduation. Interest is created by participation in mathematics clubs, in Interscholastic League events and in making projects. Accelerated classes are provided for those who desire a broader education.

## *Band*

Band work is divided into two parts. In the fall emphasis is placed on marching band and marching activities. After marching season, emphasis is placed on concert work which culminates in a spring concert and the Interscholastic League Music Contest.

## *Homemaking*

Three years of homemaking is offered in S.H.S. Homemaking covers a variety of things. It includes beauty care, gardening, home beautification, meal planning, clothes designing, and many other helpful ideas for the homemaker.

## *English*

In all the English courses there is a broad reading program that includes classics, both ancient and modern; there is a constant emphasis upon effective writing and speaking.

At each level in the accelerated classes, there is an enriched program in all areas of work with emphasis on experimental, creative, and critical writing.

## *Physical Education*

The Physical and Health Education program places a great deal of emphasis on taking care of the human body. Exercise also plays an important part in the program.

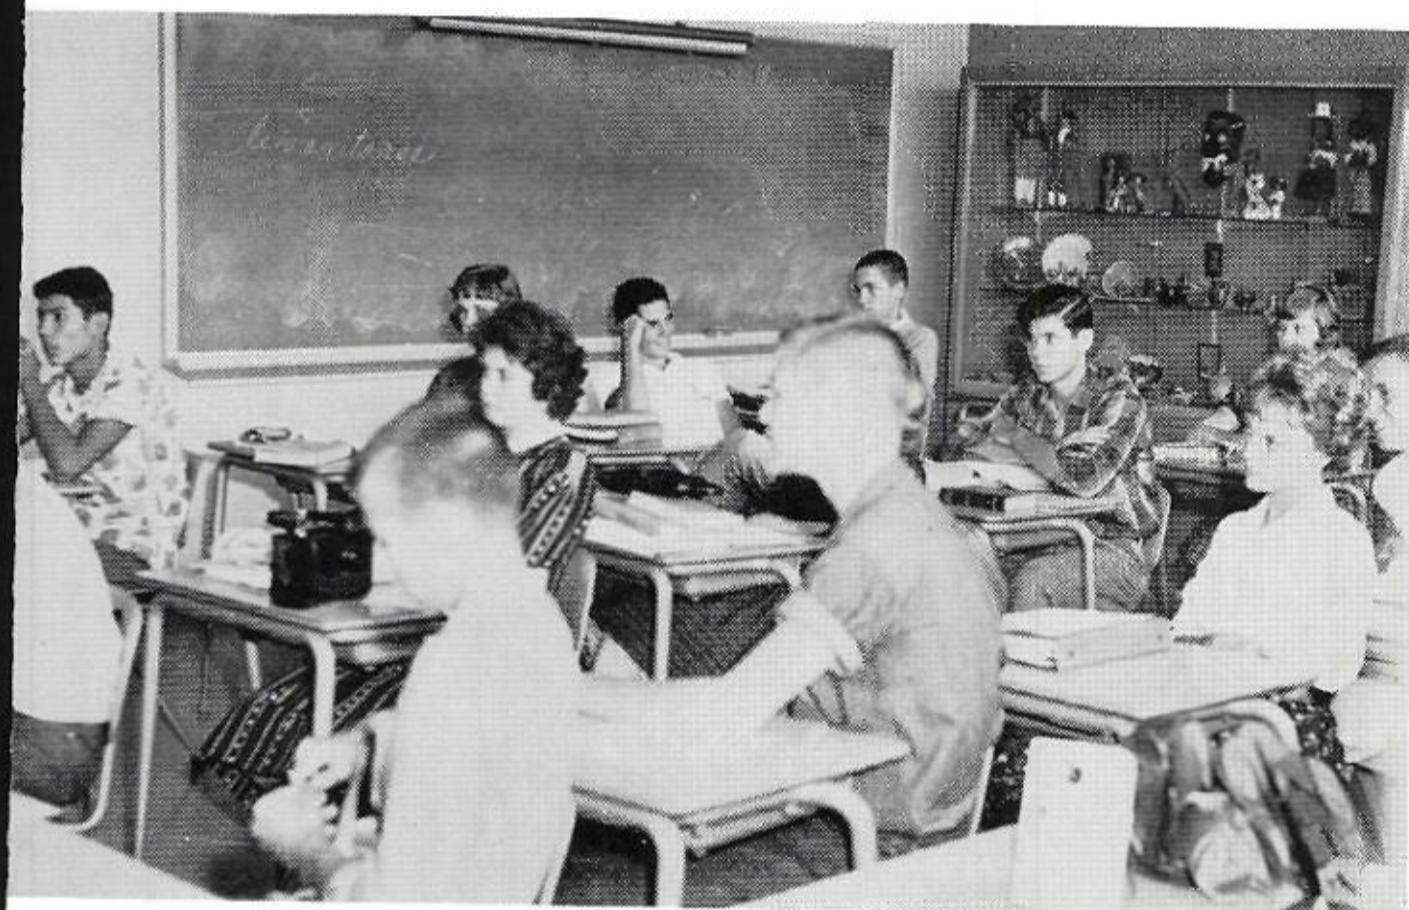

## *Speech*

Sherman High School offers two years of speech. First year speech offers the fundamentals of speaking, original speaking, interpretative speaking, debate, discussion, and special types of speaking. Second year speech is a study of drama, dramatics, radio, and television.

## *Industrial Arts*

The satisfaction of creating things with the hands and, at the same time, learning a skill or trade are two of the primary purposes of the Industrial Arts Department.

## *Distributive Education*

Distributive Education is a vocational program especially designed to teach high school students the fundamentals of retail, wholesale, and service—selling business. The students work on a "co-operative basis" with participating Businessmen. They usually go to school in the morning and work at their jobs in the afternoon.

## *Foreign Language*

Foreign language tries to teach the customs and modes of the different countries, as well as how to speak, read, and understand the language.

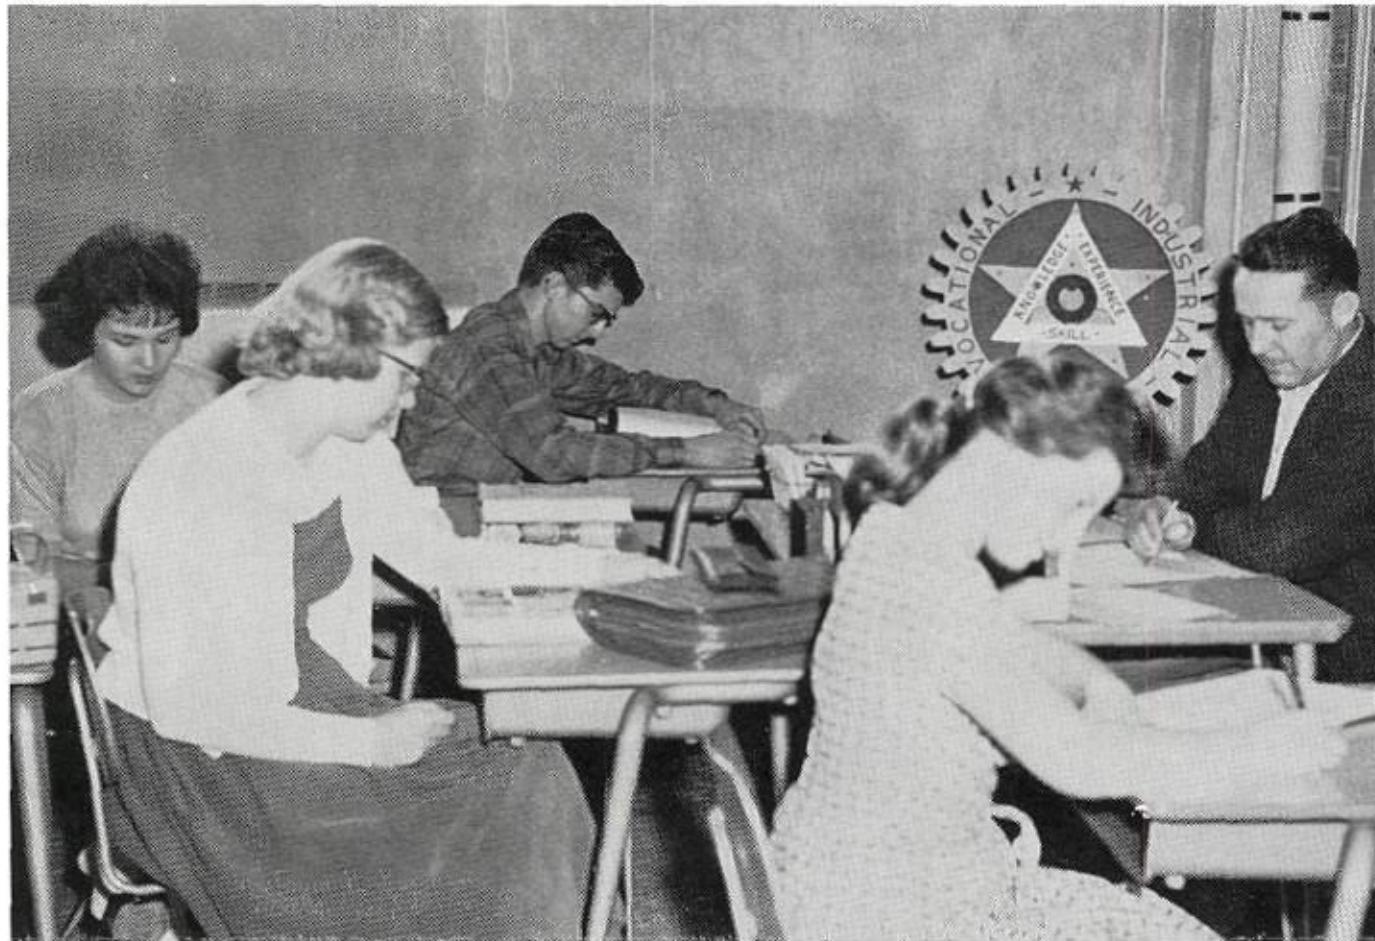

## *Art*

Emphasis on self-expression and an appreciation of art is gained through the study of art history. Art in everyday life, such as industry and advertising, is studied. Art courses are open to all students in Sherman High.

## *Industrial Cooperative Training*

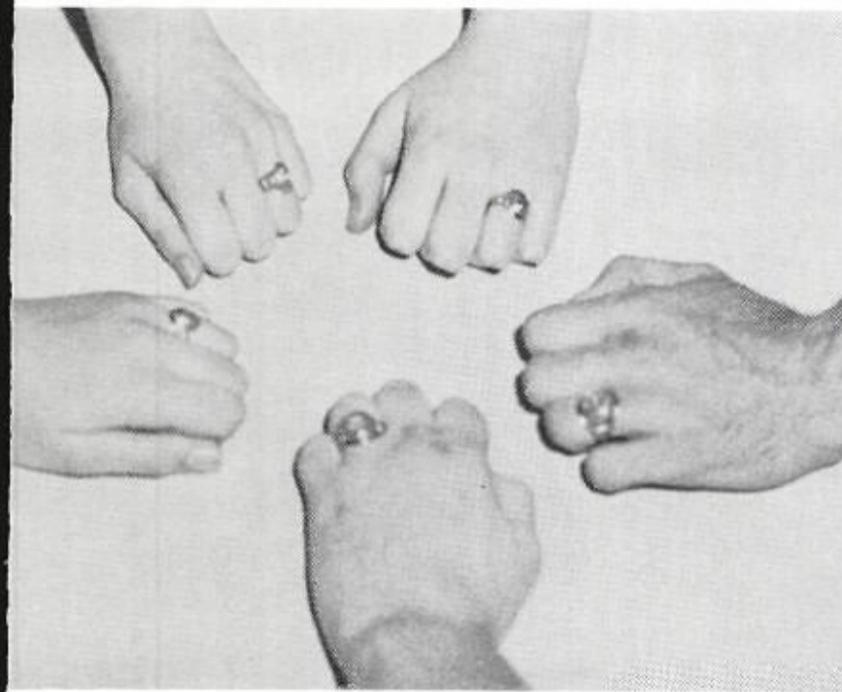

Students who take ICT go to school half a day and work in their chosen field at a job the other half of the day. ICT gives to the students a start on occupational trade training while still in high school. Areas included are electrical, laboratory technicians, auto mechanics, nursing, carpentry, and many others.

## *Choir*

The A Cappella Choir of Sherman High is well-known for its many programs given for various service clubs in the city as well as music concerts at Christmas and Easter for the students. The choir is defined in its approach because of the unaccompanied music in its repertoire. Three years of Choral music are offered.

## *Thank You!*

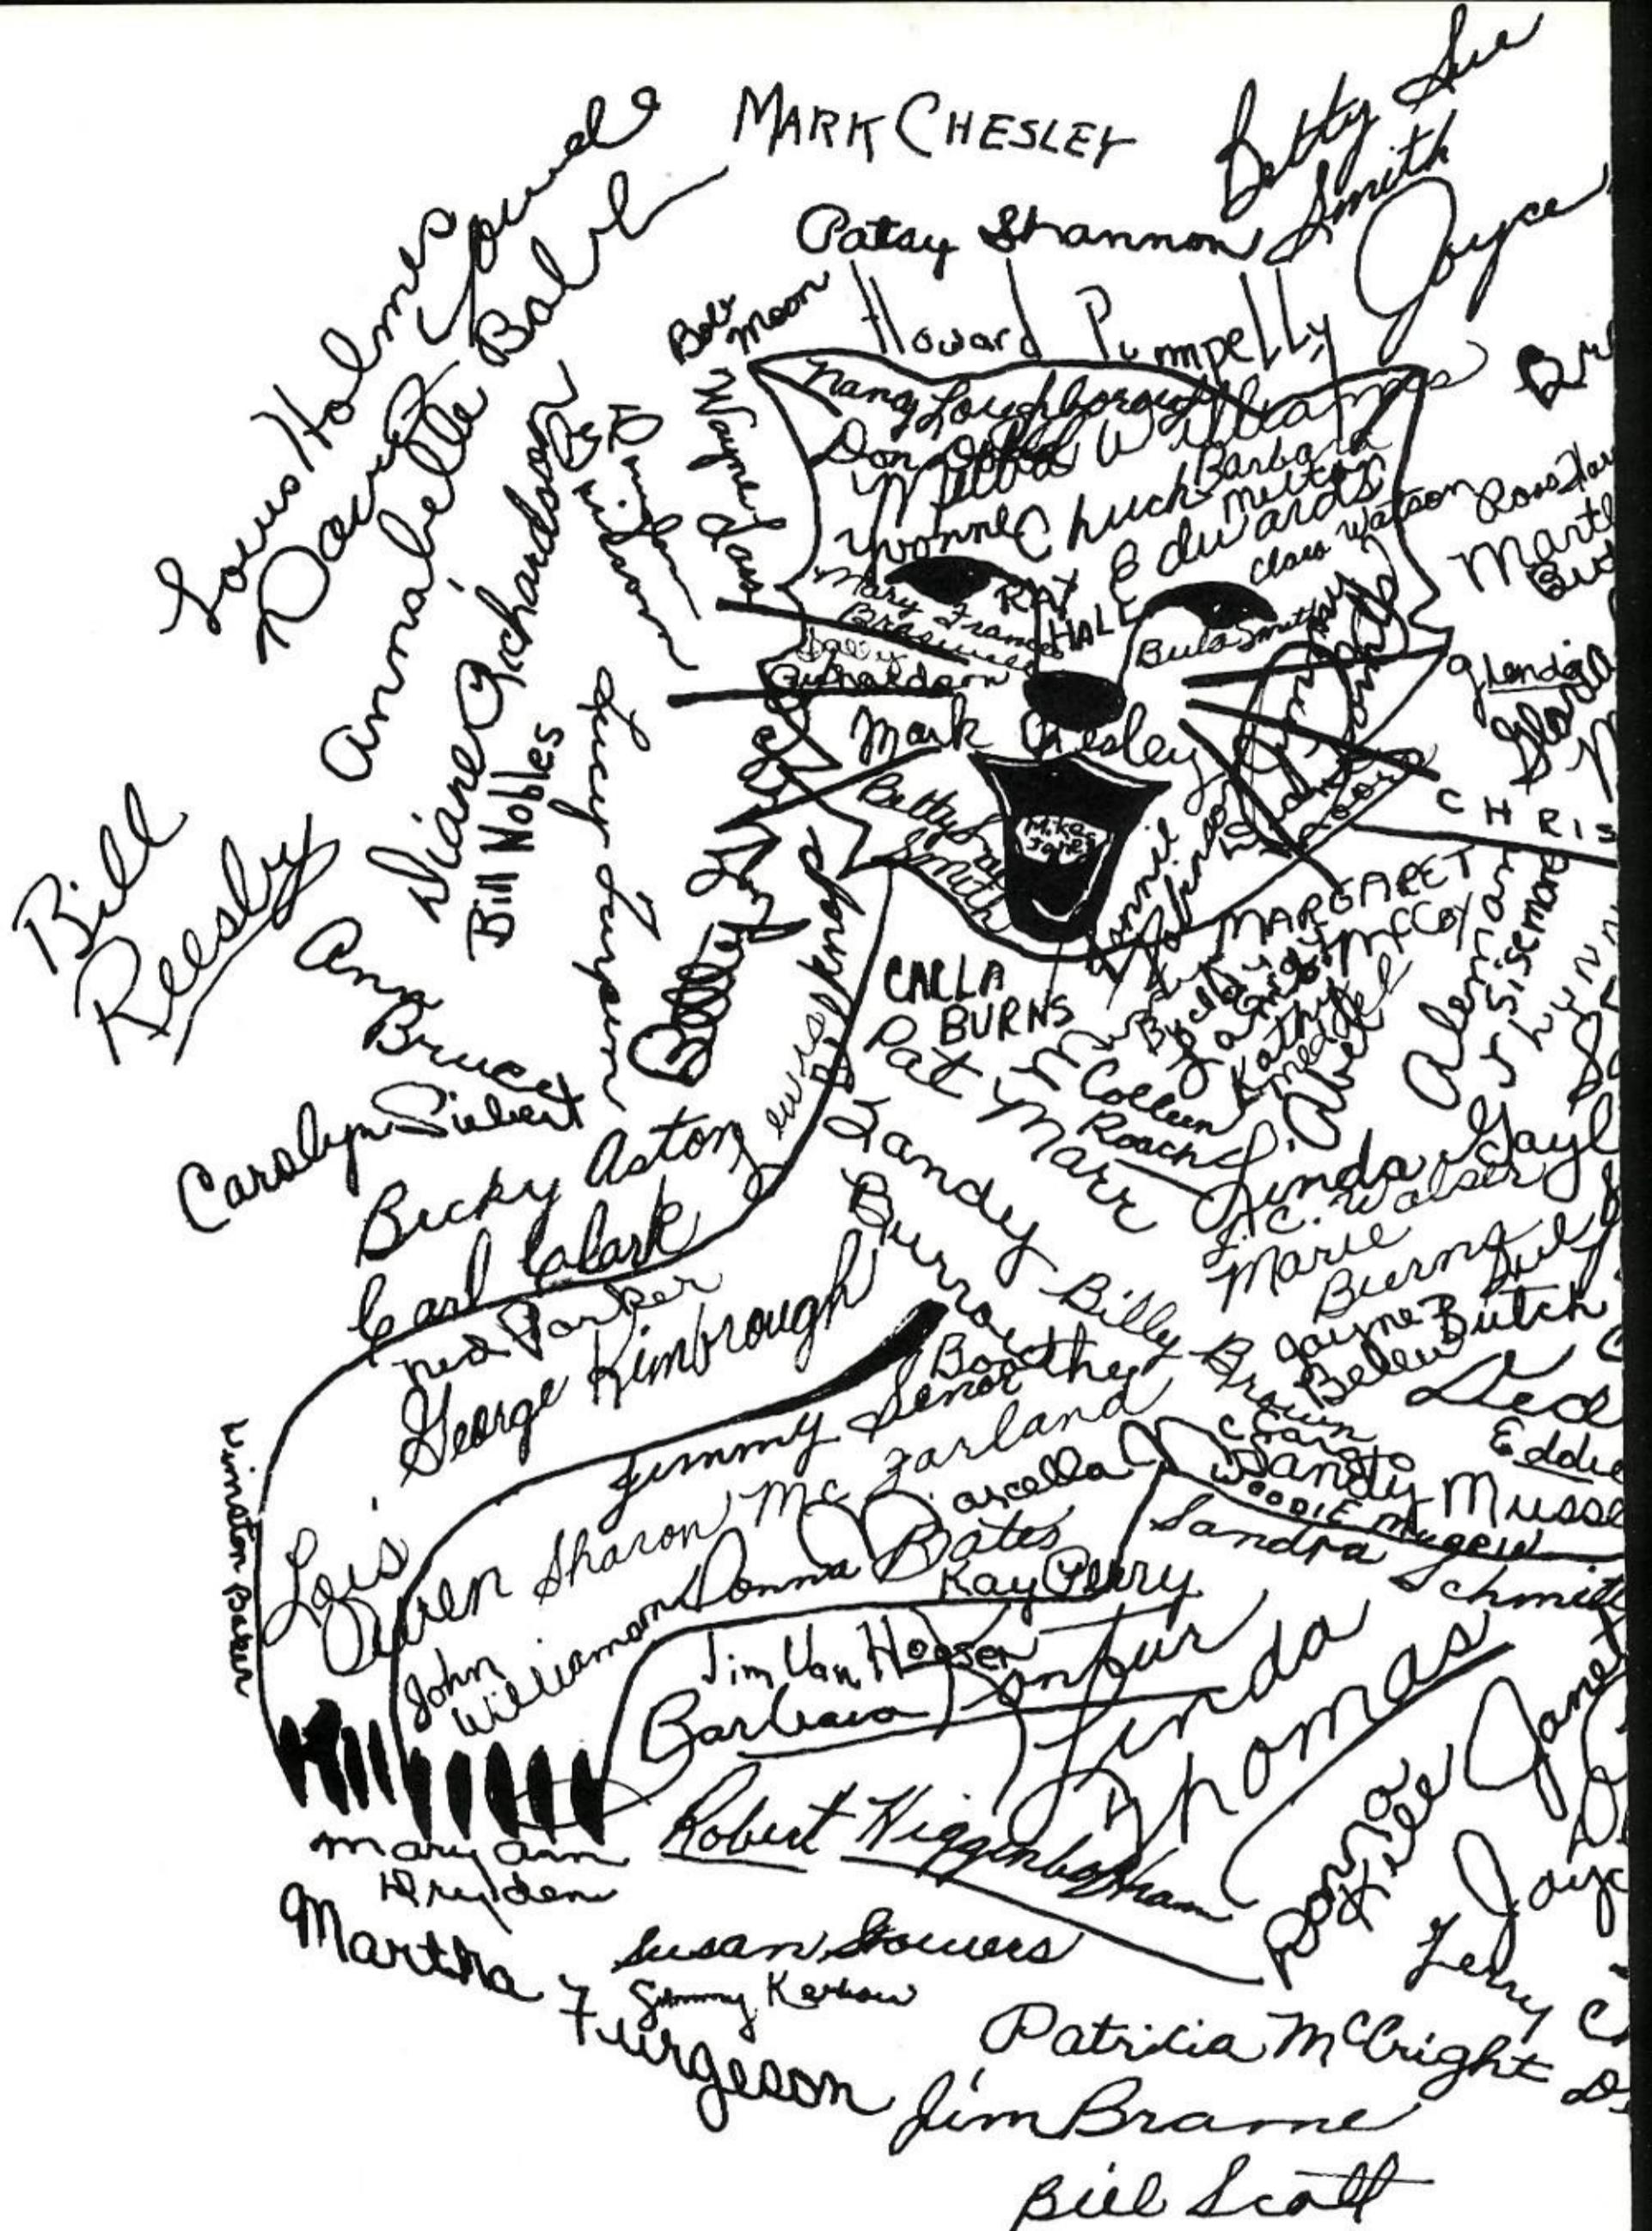

To the many wonderful friends who help make it possible for us to publish a fine ATHENIAN each year, we are greatly indebted. Without their helpfulness and patronage, we could not have our treasured yearbook.

The loyal spirit of the people of Sherman has proven an inspiration to us at Sherman High School.

All the many people involved have our hearty Thank You!
